Basil Moreau: Essential Writings (Holy Cross Book) Basil Moreau

This definitive introduction to the life and vision of Blessed Basil Moreau is the first book to gather together the essential spiritual, pastoral, and educational writings of the nineteenth-century French priest who founded the Congregation of Holy Cross, which is the religious order that founded the University of Notre Dame in 1842. *Basil Moreau: Essential Writings* is an anthology of all the important published and previously unpublished writings of Basil Moreau, who was beatified in 2007 by the Catholic Church. This anthology provides generous selections from Moreau's sermons, pastoral letters, educational treatises, and spiritual reflections, which reveal a figure who was no stranger to difficulty and conflict but also a man deeply committed to a hope that can only emerge from Christ's passion, death, and resurrection.
