"Forget Job Security: Build Your Marketability!" is the first comprehensive book to provide career management strategies in easily relatable terms that can help anyone consciously and proactively prepare for new employment opportunities or handle unplanned job transitions smoothly in today's uncertain world of job insecurity. Most people have arrived in their current job through a random set of circumstances, but this book builds understanding about the overall concept of on-going career management that can purposefully guide an individual towards career goals. Career management is the process of holistically managing one's career proactively and consciously. Instead of floundering around and being unaware of the control one's career destiny, readers will learn how they can mindfully guide their career and propel their careers forward towards personal and professional fulfillment through sustaining their employability.
