Straplatch: Dealing with Devils and Demons Amado Crowley

Written by a Master of occultism with 50 years of experience in guiding occult students, this book alerts the reader to the presence, indeed the ubiquity of demons in every aspect of our experience and dealings. It brings the reader to an understanding of the nature of demons, and how to control or mitigate their malign influence. The book also includes details of a ritual to exorcise your own personal demons. As with all of Amado's written works, the style is down-to-earth and practical, if at times seemingly paradoxical. Amado is not providing a set of rules, but rather leading the reader to that point where they can reach within and find the necessary knowledge and resources to handle the situation.
