Bharatanatyam: A Reader (Oxford India Paperbacks) Davesh Soneji

A dynamic, living cultural practice of modern South Asia, Bharatanatyam is widely recognized as one of the world's fastest-growing dance forms. This reader brings together some of the most important essays on Bharatanatyam written over the last two hundred years. Drawing from history, dance studies, women's studies, religious studies, and ethnomusicology, this reader shows how this dance form has generated complex social histories and varied aesthetic practices. The comprehensive Introduction provides a broad understanding of the historical, socio-political, and aesthetic issues in Bharatanatyam alongside a contextual mapping of the sources.
