Chiropractic the Greatest Hoax of the Century?

Ludmil A. Chotkowski

Chiropractic the Greatest Hoax of the Century? Ludmil A. Chotkowski

This is the revised second edition, edited with the help of Dr Stephen Barrett, and contains much new informative documentation.

Of particular interest is a revealing dialogue- debate on the internet between the author and the chiropractic community.

It is the only such book on chiropractic ever written by a medical doctor from the standpoint of scientific medicine, a viewpoint that every chiropractor and client should read.
