First & Goal (Queen of the League) (Volume 1) Laura Chapman

When Harper Duquaine's no-nonsense approach to work unintentionally ruffles the wrong feathers at her new job, she joins her co-workers' fantasy football league to prove she can hang with the guys. Only problem: she doesn't know a sleeper from a keeper (or any of the other lingo thrown her way). Embroiled in a world of lineups, stats, and trades, Harper's quest to make nice topples when her competitive streak emerges. And her promise to herself that she'll be a strong, independent woman and leave the drama and heartache behind is seriously tested when she catches the attention of her two biggest competitors: J.J., a local celebrity determined to win a fantasy championship, and Brook, the mild-mannered coach who seems too good to be true. Both threaten her resolve to remain single... and, more importantly, her chances at winning the prize pool. With a slew of conflicting advice in her real and fantasy worlds, Harper must figure out how to play the game and come out a winner.
