Heat Wave Kate Mathis

Cairo, Bangkok, Brazil, Las Vegas, Cabo San Lucas ... Agent Melanie Ward returns in Heat Wave. Circumnavigating the globe and proving her top agent status - Heat Wave is a fast-paced adventure filled with kick ass missions, hard-core agents and the emergence of Bridezilla. Stretching her skills of experience, Agent Ward is asked to captain a team of recruits through the jungle, recover 80 million dollars and change a diaper. Her heavy work schedule gives her little time for a personal life, but with her friend's wedding and a girls' weekend there's always time to mix business with pleasure and no time for regret.

From reader reviews:

Bethany Christiansen:

Typically the book Heat Wave will bring someone to the new experience of reading the book. The author style to describe the idea is very unique. When you try to find new book to learn, this book very ideal to you. The book Heat Wave is much recommended to you to learn. You can also get the e-book from the official web site, so you can more easily to read the book.

Donald Worsley:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Heat Wave, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Johnny Harper:

Many people spending their moment by playing outside having friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, taking everywhere you want in your Touch screen phone. Like Heat Wave which is having the e-book version. So , why not try out this book? Let's observe.

Gloria Todd:

That guide can make you to feel relax. This kind of book Heat Wave was bright colored and of course has pictures around. As we know that book Heat Wave has many kinds or type. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore not at all of book are generally make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you and try to like reading which.
