Highlander's Magic (Highlander Heat) (Volume 2) Joanne Wadsworth

Traveling through time...for a Highlander.

Wearing the four-hundred-year-old amulet she inherited, Marie MacLean enters a faerie circle near the ruins of Dunyvaig Castle. A veil rises. A warrior from the past makes a wish to win the war against the Chief of MacLean, and as the veil thins, she falls through into his time.

Highland warrior Archie MacDonald has been gifted a faerie who insists she's from the future and the progeny of both his and his enemy's clan. The last thing he expects is for her to stir him on a level he's never experienced before. All he needs is her aid in the war, no matter where she believes she's from.

Determined to keep history on course, Marie enters the crux of the battle. She must ensure the MacLean chief who has yet to father her paternal line isn't killed, and all without perishing herself. Can Archie see past his need for revenge before he kills his enemy? If he wishes to save the woman who's crossed centuries to be by his side, he must.
