Memoirs of a Polar Bear Yoko Tawada

***The Memoirs of a Polar Bear* stars three generations of talented writers and performers?who happen to be polar bears**

The Memoirs of a Polar Bear has in spades what Rivka Galchen hailed in the *New Yorker* as “Yoko Tawada’s magnificent strangeness”?Tawada is an author like no other. Three generations (grandmother, mother, son) of polar bears are famous as both circus performers and writers in East Germany: they are polar bears who move in human society, stars of the ring and of the literary world. In chapter one, the grandmother matriarch in the Soviet Union accidentally writes a bestselling autobiography. In chapter two, Tosca, her daughter (born in Canada, where her mother had emigrated) moves to the DDR and takes a job in the circus. Her son?the last of their line?is Knut, born in chapter three in a Leipzig zoo but raised by a human keeper in relatively happy circumstances in the Berlin zoo, until his keeper, Matthias, is taken away...

Happy or sad, each bear writes a story, enjoying both celebrity and “the intimacy of being alone with my pen.”
