Paris Travel Guide By Hailey: My Summer Vacation Before Second Grade Hailey Kopp Why I Like Paris

Before I started second grade, I traveled to Paris with my family for a summer vacation. This was the first time I went outside of the country. I had a great time there and I took some pictures and wrote down some information so that I could share it with you about going to Paris when you are a kid.

In Paris I got to see some really cool things that we do not have at home like:

- The Eiffel Tower
- The Louvre
- The Arc De Triomphe
- The big department stores
- The French restaurants (there are some in the Eiffel Tower)
- The parks (with playgrounds)

I think Paris is a great place to visit with your family.

You will like it too!
