Perspectives on Addiction: An Integrative Treatment Model with Clinical Case Studies Margaret Fetting

Perspectives on Addiction presents a comprehensive, rigorous, and reflective overview of the complex and controversial field of chemical dependency. It is designed for students and clinicians who come in contact with and treat individuals and families struggling with the causes and consequences of substance use disorders. The user-friendly approach to serious content encourages active participation in the learning experience and is designed to have a personal, professional, educational and treatment impact. Readers will develop a novel appreciation for a human desire that pleasures, confounds, and destroys.
