The *Encyclopedia of the FIFA World Cup* provides the most comprehensive and up-to-date information available on the history of this incomparable event. Hundreds of entries cover the players and coaches who have participated in the World Cup and made the most memorable contributions to the event's history. Additional entries include officials, stadiums, overviews of each major country's performances, and more. A separate section provides detailed entries for each World Cup finals tournament. Appendixes contain details on every participant in World Cup history, as well as top performers, officials, and World Cup records.

Including an indispensable bibliography on the key World Cup texts, *Encyclopedia of the FIFA World Cup* is an essential reference for soccer fans, players, and researchers alike.
