## **Forever Richard** Sue Dent

Author Sue Dent reporting. The Writer's Cafe Press edition of Forever Richard is no longer in print. Any available copies are ones that were dumped by Book Masters. All inventory was supposed to be returned to the publisher. Oddly enough, some inventory was sold by Book Masters. Hmm . . . Bad for The Writer's Cafe Press but good for anyone wanting a good deal on a great book. Be aware, however, the newer editions of Forever Richard have been edited and words added. Even better in my opinion. Anyway, just a heads up.

A new vampire inhabiting Richard's castle, a stranger with the alleged knife of the Akedah, a malevolent werewolf stalking Ceese, and the impossible-to-kill Dr. Henderson. Now mortal once again, Richard and Ceese thought their troubles were behind them. What will they do when they learn that isn't true? And how will they survive the new evil that threatens to destroy them all?

"Insightful, thought provoking . . . Well worth the wait!" Maryann Boo, British Fantasy Society reviewer.
