Arcade warriors battle it out for supremacy of the digital domain, but the true field may be one more of digital manipulation and analog input than knock-outs and super moves! Cosplayers will chase down the writer of their favorite erotica to submit themselves as slaves to their whims, while big sis will make sure her younger brother knows his place in the world. As the world turns, a salaryman may find solace in the arms of a titillating teenager, while two moms may find the solution to their lonely problems in their teenager's friends (or even boyfriend)! Much like this collection of short stories by Maban, the world is filled with Passionate Lovers!
