SKETCHY THINGS - The Art of Frank Dietz is a compilation of nearly two decades of classic monster caricatures and fine art from the award-winning artist Frank Dietz. A lifelong fan of horror, sci-fi and fantasy films and television, the former Disney Animation artist brings his own sly take to the monsters we all remember watching as kids. With a foreword by THE WALKING DEAD executive producer Greg Nicotero and an introduction by comedian Dana Gould, the book pays tribute to the characters and actors that defined the monster genre since the silent films of the 1920's. There's something for every classic horror fan here, rendered in pencils, charcoal, pastels, watercolor and oils. Be prepared to smile at all the familiar creatures that made us cringe with delightful terror!
