A vampire alpha warrior of mixed-blood, and a woman who craves what he offers....

Brandon, a Druid male warrior, has sought the call of the Mother, the sea's endless summons something he can no longer ignore.

Leaving the Reaper vampire stronghold, he seeks those females who share his blood and unique calling. Brandon enters a battle between the mixed-blood Constantine, Kane of demon descent and Madden--a Mer who has the answers to the mystery of his lineage.

Left with more questions than answers, Brandon is shocked when he discovers a female that is mixed as he.

Can Brandon find answers to the questions that plague him? Or will his protection for the one female who calls to him circumvent the resolution he craves? When males from the opposing sects hunt him for what he possesses--can he call on his Druid counterparts to save everything he cares most about ....
