Turtles 2018 Firefly Books

Two hundred million years ago, these self-contained creatures shared Earth with the dinosaurs. Yet long after the demise of their contemporaries, turtles live on. It is not surprising, then, that they have been associated with strength, endurance and longevity throughout history, however slowly they may move. In **Turtles 2018**, world-renowned photographers catch an intriguing array of these ancient reptiles on film. The detailed images provide a captivating glimpse into the environment and behavior of turtles, while fascinating captions provide background information. Photographed in their natural settings, these distinctive turtles reveal the qualities that made their ancestors such survivors.
