This book is a remarkable collection of accounts of families who have had the opportunity to meet the souls of their sons and daughters before they were born. Read about the vivid memories of life in heaven by young children, and dramatic stories of prayers answered by guardian angels who watch over us. Discover:

- * A letter from a mother to her son, whom she gave up for adoption, telling him of the dream that guided her through that painful decision.
- * A kidnapped child who survived her ordeal by the guiding hand of the baby sister who would be born years later.
- * A little boy's memory of being brought to earth by his grandfather--a man he never knew.
- * A woman's vision of a child in a garden, and the powerful certainty that he was her son, waiting his turn to come into this world.

Sarah Hinze's own personal pre-birth experiences complete this inspiring collection, which radiates a universal sense of peace, joy, and hope that touches us all.
