A practical marriage...

He married for convenience, but William of Anglesea had hoped for more than piety from his new bride. Raised in a convent and thrice widowed, prim Lady Alice of Tarnwych seems like an innocent when it comes to the marriage bed—except for the tentative passion he senses in her touch, and sees in her eyes. It seems the bold knight has a new challenge in alluring Alice. But will seducing his intriguing wife lead to his downfall?

An inconvenient desire...

Everything about charming, free-spirited William defies the cloistered world Lady Alice comes from. Duty brings her to their bed—and a long-held hope for a child. Yet after three indifferent husbands, the desire William shows her awakens her own. Little did Alice expect the powerful feelings he would inspire, emotions that make her ready to abandon her rigid beliefs, and the only family she's ever known—when William's life is on the line....
