Gifted and Talented Education (SAGE Library of Educational Thought & Practice)

Scholarly work in gifted and talented education has expanded rapidly in the last four decades throughout the world, but the number and diversity of journals in which these works are published make access difficult for many researchers and practitioners. This Major Work gathers key research studies from that vast array of international resources, focusing in turn on assessing and educating gifted and talented, and creative students, with organization and commentary that allows the user easy access to and understanding of the literature.

Volume One: Assessing Intellectual Giftedness and Academic Talent

Volume Two: Educating and Guiding Gifted and Talented Students

Volume Three: Assessing Creativity

Volume Four: Educating and Guiding Creative Students
