## **Single Mom What Now** Victoria Harr

While on staff with Shiloh Youth Revival Centers as a single mother, Victoria lived communally with and ministered to over 30+ single mothers for more than five years. This book draws heavily on her experiences and observations during that time. Each of her three books has been inspired by a specific season in her life and is written out of her own journey. This one is no exception, as it tackles not just surviving, but overcoming the challenges of being a single mother in both practical and spiritual ways.
