Son of Zeus: Madness

Bridget Mitchell

Son of Zeus: Madness Bridget Mitchell

Hercules was once known as the greatest of Heroes, far superior to mighty Achilles or wily Odysseus. His story was one of tragedy and hardship beyond any other and yet in the modern world his tale is often relegated to the bedtime stories of children; wiped clean of all the horrors and hardships endured by the son of Zeus. This modern retelling of the Hercules Myth attempts to redress this grievance and brings Hercules back to us with all the tragedy that made the story of his great labours and journeys a favourite amongst the ancients for so many centuries.

This first instalment of the son of Zeus series opens Hercules' years of hardship when the bloody murder of his family sets him on the path towards his great labours and heroic deeds.
