Through easy, fully illustrated, step-by-step exercises and examples, she helps you to discover and define your taste, then demonstrates how you can use this knowledge to create a functional and aesthetic decor that is a true reflection of your personality.

**PART I: WHAT IS YOUR TASTE?** Seven exercises, comprised of simple activities and questions, and free of self-conscious personal evaluation, help you to better define and articulate your taste. The exercises begin by asking you to select from magazines rooms that you love (your YESs) and those you don't (your NOs), then they help you to find words to express your impressions about a room's decoration, to distinguish the common denominators always present in the rooms you choose, and to pinpoint your likes and dislikes through your reactions to elements of a room's design, from architectural elements to furnishings to the color palette.

**PART II: EXERCISE YOUR TASTE** Eleven methods taken in sequence explain the step-by-step process of decorating a room and show you how to incorporate what you have learned about your taste in Part I in order to create a decor that is comfortable and aesthetically pleasing to you. Topics covered include: using space efficiently, evaluating architectural elements, renovating economically, making a furniture plan, achieving visual balance, arranging objects and pictures, choosing lighting, and working with mirrors.

**QUESTIONNAIRE AND WORKBOOKS** A questionnaire specially conceived to assist you in analyzing your decorating style enables you to track your aesthetic attitudes, reactions, and preferences. The two workbooks-one of which is separate from the book and easily portable.
