Beyond Science Fiction!

Jim Wilhelmsen

Beyond Science Fiction! Jim Wilhelmsen

Jim has had a lifelong interest in UFOs since he was a child in the late 50's. This led to his current position as a Religious Research specialist for the Mutual UFO Network since 1996. He is also a member of the alumni at Central Bible College and was ordained by the Independent Assemblies of God in 1980. An avid reader, Jim is experienced and comfortable with studying the Bible in its original languages and spending hours in research as a hobby. Originally from Detroit Michigan, Jim founded and served in one of the nation's first evangelical Christian Motorcycle clubs in the early 70's which appeared on the 700 club. Jim served as Pastor in the inner city of Detroit working within the counter cultures associated with drugs and gangs. He has had almost 30 years experience working in deliverance ministries engaged in spiritual warfare that have enabled many to be set free from these bondages. Taking this experience with him into the investigation of UFOs and Alien abductions, Jim has become actively involved within the UFO community. With two other colleagues, The Alien Abduction Crises Centers of America was founded. This is a nation-wide network to provide Biblical based support and help for abductees after receiving terminations of their abduction experiences from the Biblical based counseling they provide as a free service. Jim has also traveled across the US providing Biblical based information at UFO conventions which led to setting up a book store/museum in Roswell NM where he lived for four years. This book is the result of over ten years intensive first hand investigation and study of the subject and the people involved. It promises to be one of the most comprehensive scripturally backed books written so far, that weaves many different topics into one story of Paradise lost and found. Not since the great flood of Noah has there been such an elaborate deception put upon mankind. This book exposes it all for your consideration. Unlike many sensational books that leave you left in fear and hopelessness, this book will leave you with hope and answers for the fearful things described and soon to fall upon an unsuspecting planet.
