## **Passions and Impressions** Pablo Neruda

Pablo Neruda is known first as a poet, but the prose pieces in this collection reflect the enormous hunger he demonstrated throughout his career for new modes of expression, new adventures, new challenges. *Passions and Impressions* is both a sequel to and an enlargement of Neruda's *Memoirs*, recording a lifetime of travel, of friendships and enmities, of exile and homecoming, of loss and discovery, and of history both public and personal. Above all, it is a testament to Neruda's love for Chile—for its citizens, its flora and fauna, its national identity. His abiding devotion pervades these notes on a life fully lived.
