Star Man: The Right-hand Man of Rock and Roll

Michael Francis

Star Man: The Right-hand Man of Rock and Roll Michael Francis

An explosive behind-the-scenes inside account of the rock music world. Life changed for Michael Francis at the age of 21 when Paul McCartney walked into his father's boxing gym to watch his friend John Conteh preparing for a fight. Paul hired Michael as his security guard, beginning a thirty-year music business career in which he worked with such legendary names as Led Zeppelin, Bad Company, The Osmonds, Sheena Easton, Frank Sinatra, Bon Jovi, Cher and Kiss. As tour manager, Michael was responsible for every aspect of their safety and their comfort, from making sure they were not mobbed on stage to making sure they got paid. Whatever they wanted, he got hold of. To some of them he became close. He was best man at Jon Bon Jovi's wedding, and provided personal security for five years for Cher at her Malibu home. He shared their wildest excesses, their highs and their lows; he saw their fears and, all too often, their loneliness and paranoia. Sometimes hilarious, frequently shocking, always perceptive, Star Man is the outrageous, uncompromising and brutally honest story of one man's life with the biggest stars of rock.
