Antoine de Saint-Exupéry

The Little Prince Deluxe Pop-Up Book Antoine de Saint-Exupéry

The Little Prince is a poetic tale, with watercolour illustrations by the author, in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism, remarking on the strangeness of the adult world. It was written during a period when Saint-Exupéry fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir *Flight to Arras*. The adult fable, according to one review, is actually "...an allegory of Saint-Exupéry's own life-his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood.... but also an allusion to the tortured nature of their relationship.
