War and the Law of Nations: A General History

Stephen C. Neff

War and the Law of Nations: A General History Stephen C. Neff

Tracing war as a legal concept from Roman times through to the twentieth century, Stephen Neff reveals its various roles as a law-enforcement operation, duel between states and a "crime against the peace." He also considers the post World War II definition of war as an international law-enforcement mechanism under U.N. auspices. Although unsuccessful, this attempt did help transform war into a humanitarian, rather than a policy problem. This book interests historians, students of international relations and international lawyers.

From reader reviews:

Ashley Parra:

Do you certainly one of people who can't read pleasant if the sentence chained within the straightway, hold on guys that aren't like that. This War and the Law of Nations: A General History book is readable through you who hate those straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to provide to you. The writer associated with War and the Law of Nations: A General History content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the written content but it just different such as it. So , do you even now thinking War and the Law of Nations: A General History is not loveable to be your top record reading book?

Samuel Tapp:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both everyday life and work. So , whenever we ask do people have time, we will say absolutely sure. People is human not only a robot. Then we request again, what kind of activity do you possess when the spare time coming to an individual of course your answer can unlimited right. Then do you try this one, reading guides. It can be your alternative within spending your spare time, the actual book you have read will be War and the Law of Nations: A General History.

Helen Johnson:

This War and the Law of Nations: A General History is great book for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it info accurately using great plan word or we can point out no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having War and the Law of Nations: A General History in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no publication that offer you world throughout ten or fifteen second right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt this?

Martha Lockridge:

Is it an individual who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This War and the Law of Nations: A General History can be the solution, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?
