William F. Milliken, Douglas L. Milliken, Maurice Olley

Chassis Design: Principles and Analysis [R-206] (Premiere Series Books) William F. Milliken, Douglas L. Milliken, Maurice Olley

Chassis Design: Principles and Analysis is based on Olley's technical writings, and is the first complete presentation of his life and work. This new book provides insight into the development of chassis technology and its practical application by a master. Many examples are worked out in the text and the analytical developments are grounded by Olley's years of design experience. Well-illustrated with over 400 figures and tables, as well as numerous appendices.
