Imagine...Amazing Me! will disband any misconceptions about people with disabilities. Within these pages are photos of beautiful children from across the United States and Canada enjoying childhood activities despite their limb and extremity differences. **Imagine...Amazing Me** was inspired by Libbi Chilia's daughter Sami, who has a limb deficiency. As Libbi embarked on finding books that featured children like Sami, she came up empty-handed. This discovery drove Libbi to gather photos of children from across the country. As her photo collection grew, Libbi knew that she held the key to portraying a powerful message. **Imagine...Amazing Me** is reflective, educational and inspiring.
