Names and Places in the Old and New Testament and Apocrypha: With Their Modern Identifications (Classic Reprint) George Armstrong

Excerpt from Names and Places in the Old and New Testament and Apocrypha: With Their Modern Identifications

This Index has been compiled from the Old and New Testament and Apocrypha, the alterations in the Revised Version being noted in their places; from the Memoirs and Name Lists of the Survey of Western Palestine from that portion which is completed (as yet unpublished) of the Memoirs and Name Lists of the Survey of Eastern Palestine from Smith's 'bible Dictionary;' from the list drawn up by Sir George Grove for Clarke's 'bible Atlas' and from Conder's 'handbook to the Bible' and Primer of Bible Geography, ' with numerous references to the Quarterly Statements.' The identifications adopted are those that will be found on the new maps (to be issued about the end of this year) of the Old and New Testament, covering both sides of the Jordan, and authorized by Colonel Sir Charles Wilson and Major Conder, r.e.

The Index to the Old Testament Sites includes upwards of names of places in the Holy Land, Mesopotamia, Edom, the Desert of Sinai, and Egypt; being, it is believed, all those that are mentioned in the Old Testament and the Apocrypha.

The Index to the New Testament Sites contains 162 names, with references to Josephus in addition to those in the New Testament. Of these names 144 are known, 10 uncertain, and 8 not identified.

The identifications suggested by Major Conder as due to the Survey are marked with a star.

There are still 290 places mentioned in the Old Testament, in the East of Jordan, the Desert and Western Palestine, which remain to be identified. Reference is made in every case to the number of the sheet of the large and small maps on which the modern name will be found. Under the heading Remarks, ' etc., will be found fuller particulars of the proposed site from the Memoirs of 'Western Palestine.'

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
