My Childhood (Classic, 20th-Century, Penguin)

Maxim Gorky

My Childhood (Classic, 20th-Century, Penguin) Maxim Gorky

Coloured by poverty and horrifying brutality, Gorky's childhood equipped him to understand - in a way denied to a Tolstoy or a Turgenyev - the life of the ordinary Russian. After his father, a paperhanger and upholsterer, died of cholera, five-year-old Gorky was taken to live with his grandfather, a polecat-faced tyrant who would regularly beat him unconscious, and with his grandmother, a tender mountain of a woman and a wonderful storyteller, who would kneel beside their bed (with Gorky inside it pretending to be asleep) and give God her views on the day's happenings, down to the last fascinating details. She was, in fact, Gorky's closest friend and the epic heroine of a book swarming with characters and with the sensations of a curious and often frightened little boy.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
