## **The Daring Assignment (Curvy Assignments) (Volume 1)** Victoria Bright

I didn't mean to hurt anyone, especially him... I was living the dream. I had a great career as a romance author, a successful boyfriend, and am the daughter to a New York power couple. With my standing, my family groomed me to be perfect. Despite having it all, something was missing in my life. In an attempt to break away from my privileged, suffocating life, I was in pursuit of finding my own path to happiness. After my literary agent gave me a risky writing assignment, I set out to write a best-seller that took me completely out of my comfort zone and into the arms of another man. He was only supposed to be a research toy, falling in love wasn't a part of the plan. As I become tangled into a huge web of lies, I quickly find out that I have a life changing decision to make. Do I choose to continue living a life of comfort, stability, and misery or do I take a chance on the unknown to preserve my happiness?
