Treaty Talks in British Columbia, Third Edition: Building a New Relationship Christopher McKee

This updated edition of *Treaty Talks in British Columbia* traces the origins and development of treaty negotiations in the province and includes a postscript, co-authored with Peter Colenbrander, that provides an extensive overview of the treaty process from 2001 to 2009. The authors outline the achievements of and challenges for the treaty process and review some of the most recent jurisprudence affecting Native and non-Native rights. They also reflect on the growing number of initiatives outside the treaty process to achieve reconciliation between First Nations and the Crown and raise questions about the future relationship between these initiatives and treaty negotiations. Succinct and informative, this book brings clarity to a complex and often contentious issue.
