"Cartography" is an exploration of the space between searching and finding. When we take a journey, we will discover something, whether or not we intend to. At times, a compass is necessary. At other times, a map. Keep a close watch on your external world. Keep a close watch on the world within yourself. Within and without, your world is changing. If you do not embrace this change, the future, your future, cannot come to you. Embrace love, embrace freedom, embrace the fluidity that is life.
