Growing up and Other Vices Sara Midda

The acclaimed author of the international bestsellers *In and Out of the Garden* and *South of France* turns her genius to the universally shared emotions, charms, and mysteries of childhood.

Each page of *Growing Up and Other Vices* is a book unto itself. Whimsical little figures illustrate *Table Manners* ("Do not rummage through the dish to find the tastiest morsel for yourself"); *Things You Are Supposed to Grow Out Of . . .*; *A Noise Brought on by Nature and How to Deal with It*; and *Behaviour Towards Various Creatures*.

In a work that is both enchanting and revealing, Sara Midda wryly observes our adult imperfections. Not a drawing, not a word is untrue, not a moment untouched by a smile of recognition. 52,000 copies in print.
