Juniper Smoke Sadia Ash

In an age of casual hook-ups, can love survive the test of time? "Juniper Smoke will consume you, take your time with reading it because it is so worth it." (Schmexy Girls Blog) "Sadia's level of talent is tops of the romance game right now." (Pretty Little Book Blog) "Much more than a simple love story. It's a saga." (Annette Abernathy's Blog) "I loved this story. This is a must read book!" (Heather - Kinky Kittens Book Blog) Juniper and Kyle meet cute when she is dangling forty feet from a museum scaffolding, hanging on for dear life. Juniper is a sassy, nerdy curator at the History Museum of Ann Arbor. Her life has been one big sacrifice for others. Work. Home. Repeat. Raised by her mother to hate men, she worries she'll die a frigid scholar in a musty house with an army of cats and a lake of books. Kyle Paxton is a handsome, intense and intimidating inventor of micro-cameras from San Francisco. To curb the dark memories of his ex-girlfriend (who still haunts him), he schedules dating and work with robotic precision. Not looking for love, he only hooks up with Amazonian models. When he joins the museum board, Juniper falls for him. She wants him, but knows it's going to be as hard as catching the ocean in a teacup. Juniper becomes Kyle's obsession, but the tragic secrets of his past cloud his feelings. Juniper soon knocks Kyle's world off its axis and their galaxies collide in this very unfairy tale. But can they overcome their differences and stop a hateful and vindictive person from tearing them apart? Juniper Smoke is a smoking hot read with fun twists, dark secrets and edge-of-your-seat drama. Nothing is as it seems and no one behaves as you would expect.

From reader reviews:

Rhonda Robitaille:

Have you spare time for just a day? What do you do when you have a lot more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a go walking, shopping, or went to the actual Mall. How about open or even read a book allowed Juniper Smoke? Maybe it is to get best activity for you. You already know beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with the opinion or you have other opinion?

James Edwards:

Here thing why this Juniper Smoke are different and trusted to be yours. First of all reading a book is good nonetheless it depends in the content of computer which is the content is as tasty as food or not. Juniper Smoke giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with Juniper Smoke. It gives you thrill reading through journey, its open up your eyes about the thing this happened in the world which is maybe can be happened around you. You can bring everywhere like in recreation area, café, or even in your means home by train. When you are having difficulties in bringing the printed book maybe the form of Juniper Smoke in e-book can be your alternative.

Michael Clark:

Your reading 6th sense will not betray a person, why because this Juniper Smoke guide written by well-known writer who really knows well how to make book which might be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and publishing skill only for eliminate your hunger then you still uncertainty Juniper Smoke as good book not merely by the cover but also from the content. This is one guide that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listening to another sixth sense.

David Thompson:

This Juniper Smoke is great book for you because the content which is full of information for you who always deal with world and have to make decision every minute. This book reveal it facts accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having Juniper Smoke in your hand like obtaining the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen minute right but this reserve already do that. So , this really is good reading book. Hello Mr. and Mrs. hectic do you still doubt that?
