Thomas Mann in English: A Study in Literary Translation (New Directions in German Studies) David Horton

Thomas Mann owes his place in world literature to the dissemination of his works through translation. Indeed, it was the monumental success of the original English translations that earned him the title of 'the greatest living man of letters' during his years in American exile (1938-52). This book provides the first systematic exploration of the English versions, illustrating the vicissitudes of literary translation through a principled discussion of a major author. The study illuminates the contexts in which the translations were produced before exploring the transformations Mann's work has undergone in the process of transfer. An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation, leading far beyond the traditional preoccupation with issues of equivalence. Thomas Mann in English thus fills a gap both in translation studies, where Thomas Mann serves as a constant but ill-defined point of reference, and in literary studies, which has focused increasingly on the author's wider reception.

From reader reviews:

Daniele Chambers:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with schooling books but if you want really feel happy read one together with theme for entertaining like comic or novel. The particular Thomas Mann in English: A Study in Literary Translation (New Directions in German Studies) is kind of publication which is giving the reader erratic experience.

Erna Taylor:

Reading a book to become new life style in this calendar year; every people loves to learn a book. When you examine a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you need to get information about your review, you can read education books, but if you want to entertain yourself read a fiction books, these kinds of us novel, comics, along with soon. The Thomas Mann in English: A Study in Literary Translation (New Directions in German Studies) provide you with new experience in examining a book.

Chris Boos:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Thomas Mann in English: A Study in Literary Translation (New Directions in German Studies) can make you experience more interested to read.

Robert Quinonez:
