Travels

Michael Crichton

Travels Michael Crichton

Often I feel I go to some distant region of the world to be reminded of who I really am.

When Michael Crichton -- a Harvard-trained physician, bestselling novelist, and successful movie director -- began to feel isolated in his own life, he decided to widen his horizons. He tracked wild animals in the jungles of Rwanda. He climbed Kilimanjaro and Mayan pyramids. He trekked across a landslide in Pakistan. He swam amid sharks in Tahiti.

Fueled by a powerful curiosity and the need to see, feel, and hear firsthand and close-up, Michael Crichton has experienced adventures as compelling as those he created in his books and films. These adventures -- both physical and spiritual -- are recorded here in *Travels*, Crichton's most astonishing and personal work.

From reader reviews:

Mark Dunn:

What do you concerning book? It is not important to you? Or just adding material when you require something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do which. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this kind of Travels to read.

Margaret Barone:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider when those information which is inside former life are challenging be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Travels as the daily resource information.

Karen Partain:

Are you kind of active person, only have 10 or 15 minute in your day to upgrading your mind talent or thinking skill even analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your limited time to read it because all of this time you only find publication that need more time to be study. Travels can be your answer since it can be read by a person who have those short free time problems.

Joshua Hsu:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person similar to reading or as examining become their hobby. You need to know that reading is very important and also book as to be the issue. Book is important thing to provide you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Many kinds of books that can you choose to use be your object. One of them is Travels.
