Louis Wain

A Cat Compendium: The Worlds of Louis Wain Louis Wain

Louis Wain drew cats: cats playing poker, boxing, playing cricket - doing almost any human activity, in fact. His pictures are widely available today as decorative motifs and popular prints, but in his day the man dubbed the Hogarth of cat life"" was a celebrity who sold thousands of drawings and paintings to an insatiable public. From humble beginnings Wain became a hugely successful popular artist, creating the Louis Wain Annual series and the first ever animated cat character, later acknowledged as the inspiration for Mickey Mouse. With a wealth of Wain's most famous drawings, as well as rare writings by and about the artist, A Cat Compendium is an ideal book for both Wain fans and cat-lovers in general.
