Billy Bragg: Still Suitable for Miners

Andrew Collins

Billy Bragg: Still Suitable for Miners Andrew Collins

He was a punk. He was a soldier. He was a flag-waver for both the Labour Party and the miners. He is Billy Bragg, best known as a passionate protest folk singer and a tireless promoter of political and humanitarian causes all across the world. His life encapsulates so much about his generation: born in the late '50s, passions forged by punk, politics shaped by Thatcherism, hope provided by the end of the Cold War and ideology galvanised by what he sees as a post-ideological 21st century. Serious about compassion and accountability, he likes a laugh too, and is enduringly popular. Billy Bragg remains to this day a much-loved songwriter and performer whose campaigning has now spanned four decades and shows no sign of relenting. *Still Suitable For Miners* is his official story, updated for the 30th anniversary of his debut album, *Life's A Riot with Spy Vs Spy*, and including the recording of his tenth album as a solo artist, *Tooth and Nail*.
