## **Bringing Up Your Talented Child** Geoffrey Lewis

This practical guide for parents and teachers of talented children tells readers how to identify a talented child, and answers many important questions. Many parents believe their child is talented and want to develop this. Cartoons are presented to emphasize points. Some of the issues addressed include: how to identify a talented child? What are the different types of talent? Why is the family vitally important to develop a child's potential? How can the school system work for the child? What to do about underachievement? Where to go - useful resources for parents and teachers.
