Introducción a Oracle APEX 5.0 (Spanish Edition) Ing. Clarisa J. Maman Orfali

Oracle Application Express comúnmente conocido como Oracle APEX o simplemente APEX, es un completo entorno de desarrollo rápido de aplicaciones web que viene pre-instalado en la base de datos Oracle y nos permite en forma gratuita diseñar, desarrollar e implementar aplicaciones responsive sobre la base de datos usando sólo nuestro navegador web.

Con Application Apex podemos enfocarnos en la lógica de nuestro negocio, es decir, qué necesitamos en nuestra aplicación y no, en cómo desarrollarlo, ya que APEX se encarga de la mayor parte del proceso de creación, por ser una herramienta de tipo declarativa, como por ejemplo maneja los temas de seguridad, autenticación, las interacciones con la base de datos, validaciones, la administración de sesiones y mucho más!

Este libro pretende ser una guía práctica del paso a paso para aprender a desarrollar una aplicación web básica con Oracle Application Express 5.0 desde cero.
