Limp Wrist Salvation Joe Shetina

'A limp wrist is not a weakness, it is salvation And I will not straighten mine There is nothing to be gained from a straight line' Equal parts memoir and case study, *Limp Wrist Salvation* is a searing probe into crises of identity, masculinity, sexuality, and self-care as experienced by its author. Separated into three parts and 37 individual pieces, *Limp Wrist Salvation* is not as much a collection of poetry as it is a chronicle of survival, resilience, and drawing strength from those things that are often perceived as weaknesses.
