Richard P. Feynman, Robert B. Leighton, Matthew Sands

The Feynman Lectures on Physics (w/audio): The New Millennium Edition Richard P. Feynman, Robert B. Leighton, Matthew Sands

"The whole thing was basically an experiment," Richard Feynman said late in his career, looking back on the origins of his lectures. The experiment turned out to be hugely successful, spawning a book that has remained a definitive introduction to physics for decades. Ranging from the most basic principles of Newtonian physics through such formidable theories as general relativity and quantum mechanics, Feynman's lectures stand as a monument of clear exposition and deep insight. Now, we are reintroducing the printed books to the trade, fully corrected, for the first time ever, and in collaboration with Caltech. Timeless and collectible, the lectures are essential reading, not just for students of physics but for anyone seeking an introduction to the field from the inimitable Feynman.

From reader reviews:

Holly Murphy:

Book is to be different for every single grade. Book for children until eventually adult are different content. As we know that book is very important for people. The book The Feynman Lectures on Physics (w/audio): The New Millennium Edition seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The e-book The Feynman Lectures on Physics (w/audio): The New Millennium Edition is not only giving you a lot more new information but also to get your friend when you feel bored. You can spend your personal spend time to read your book. Try to make relationship with all the book The Feynman Lectures on Physics (w/audio): The New Millennium Edition. You never really feel lose out for everything when you read some books.

Sandra Byrom:

In this 21st centuries, people become competitive in each way. By being competitive at this point, people have do something to make these survives, being in the middle of the crowded place and notice by surrounding. One thing that often many people have underestimated it for a while is reading. Yep, by reading a e-book your ability to survive raise then having chance to stay than other is high. To suit your needs who want to start reading the book, we give you this particular The Feynman Lectures on Physics (w/audio): The New Millennium Edition book as starter and daily reading publication. Why, because this book is greater than just a book.

Jonathan Thurman:

The reserve untitled The Feynman Lectures on Physics (w/audio): The New Millennium Edition is the e-book that recommended to you to study. You can see the quality of the book content that will be shown to you actually. The language that author use to explained their way of doing something is easily to understand. The author was did a lot of analysis when write the book, and so the information that they share to you personally is absolutely accurate. You also might get the e-book of The Feynman Lectures on Physics (w/audio): The New Millennium Edition from the publisher to make you a lot more enjoy free time.

Vincent Espinoza:

Some individuals said that they feel bored stiff when they reading a e-book. They are directly felt it when they get a half portions of the book. You can choose the book The Feynman Lectures on Physics (w/audio): The New Millennium Edition to make your current reading is interesting. Your personal skill of reading skill is developing when you just like reading. Try to choose basic book to make you enjoy to study it and mingle the sensation about book and looking at especially. It is to be initially opinion for you to like to wide open a book and go through it. Beside that the reserve The Feynman Lectures on Physics (w/audio): The New Millennium Edition can to be your new friend when you're truly feel alone and confuse with what must you're doing of the time.
