Worship Not the Creature: Animal Rights and the Bible J. Y. Jones MD

Animal Rights and the Bible delivers the most forthright and engaging presentation of the Biblical view of animals in print. J. Y. Jones, long an accomplished physician, scholar, writer, outdoorsman, hunter, and man of God, is uniquely qualified to offer his cutting-edge treatment of this controversial topic. Don't let the down-to-earth, diverting and friendly style fool you. Just as Americas wise Founding Fathers discovered latent tyranny in a penny tea tax, Dr. Jones powerfully exposes the radical political agenda of the contemporary animal rights movement. With careful argument, he reveals the animal rights movement as a potentially significant menace to liberty and even to Christianity itself. Adding Dr. Jones able apologetic for the Christian faith in reasoned and transparently personal terms, one should prepare for a rich, compelling, and enjoyable read.
