Celtic Blessings 2009 Wall Calendar Michael Green

Celtic art is iconic for two very different world views: primeval Christianity and pagan/new age. Celtic art and spirituality stand on an overlap between these two cultures, and act as connecting links between them. Both cultures can learn from their differences, ultimately supporting and nourishing the spiritual aspirations of each. Michael Green's Celtic Blessings 2009 wall calendar is a masterful marriage of these two worlds. Based on Celtic themes and early Irish Christian illuminated manuscripts, Mr. Green reinvisions these genres into a stunning modern look that is firmly rooted in the past. At various times in his life, Michael Green has been a wandering monk, artist and craftsman, television art director, architect, illustrator and author. His books include The I Ching Journals, The Illuminated Rumi, The Illuminated Prayer and The Unicornis Manuscripts, coming from Amber Lotus in 2008.
