Take your own unit through an epic campaign set against the backdrop of the cataclysmic civil war engulfing the two most powerful Houses in the BattleTech® Universe. Now the government of Kaumberg is dissolving beneath the strife that rocks the Inner Sphere... will your unit survive when brother begins to fight brother? Operation: Flashpoint goes beyond the traditional BattleTech scenario packs. Rather than reliving historical exploits of established units, this book allows you to carve your own swath through the chaos that threatens to rip a planet apart.
