Protecting Your Money When Purchasing or Remodeling a House: Practical Pointers From An Attorney Mr. David J. Merbaum

Do you know someone that hired a contractor to renovate their basement and were pulling their hair out because the job dragged on for months and months with no end in site? Do you know someone that hired a contractor, paid them a lot of money up front and the contractor never completed the project? Did you buy a house only to discover that there were all sorts of problems that the prior owner did not reveal and you never thought about those things until it was too late? Protecting Your Money When Purchasing or Remodeling a House is a compilation of practical pointers from an attorney who has practiced in the ares of construction litigation for over 23 years. This book is ideal for anyone that is considering purchasing a house or about to start a remodeling project. Learn how to select a contractor and prevent liens from being filed on your property. Discover how and why to use inspectors and what to look for when buying a house. This book provides practical advice so you do not end up with a money pit for a house or a half completed renovation project.
