## **The Great Worship Awakening: Singing a New Song in the Postmodern Church** Robb Redman

In this helpful (and much-needed) book, author Robb Redman—pastor, consultant, and educator—offers a unique insider's explanation of the ins and outs of Christian worship trends. The book explores the four major developments that comprise what he calls the "worship awakening": the seeker service movement, the "praise and worship" movement, the Christian worship music industry, and the liturgical renewal movement. Redman explains that these trends offer important examples and lessons for established churches. The Great Worship Awakening also includes helpful guidance for congregations who are considering making changes to their current worship style.
